

# KITIMAT GENERAL HOSPITAL FOUNDATION

February 28, 2019

Re: Donation to Grab & Go Board

Have you been looking for a great opportunity to promote your business? Here's an opportunity to do that while also supporting health care in Kitimat! The Kitimat General Hospital Foundation is hosting their **3<sup>rd</sup> annual Spring Gala Dinner and Auction on Saturday, April 13, 2019** at the Kitimat Rod & Gun Club. We anticipate over 100 guests will join us for a gourmet meal, good company and a great evening out.

The gala is our main fundraising event of the year and it is vital that we raise as much money as possible. We are hoping you will help us do this. New this year will be a "Grab & Go" board. We are looking for donations of gift cards or gift certificates to local businesses. They will be placed on the "Grab & Go Board" and will be offered at face value to our guests. Basically, the first person bidding the value of the gift card or certificate purchases it! We expect this to be a popular fundraiser at the Gala this year.

We suggest the gift cards be in amounts of \$25.00 and we won't say no if you wish to donate more than one! Is \$25.00 more than you were thinking? We are happy to take an amount that you are comfortable with giving.

Donating to the "Grab & Go" board is an excellent way of giving your business exposure at our event. Your business name/logo will be displayed on the board all evening – we simply display a sold sticker when your gift card/certificate is snatched up. In addition, we will list you in our event program as a "Grab & Go" supporter. The event program is also new to our event and will be provided to each guest.

In anticipation that you will contribute to our "Grab & Go" Board, we are enclosing an auction item donation form for you to complete for your "Grab & Go" gift card/certificate.

Our community knows that healthcare matters! Since 2013, through the generosity of our donors, the Kitimat General Hospital Foundation has provided approximately \$800,000 towards enhancing and improving healthcare in Kitimat. We have something even bigger in the works. We are currently working through the Kitimat Valley Housing Society with Northern Health and BC Housing towards the construction of a much needed ten bed 'quality-of-life' dementia care home. All funds raised by the 2019 Gala will be used to make the new facility a reality in 2020.
